

Above Stock, North Road Ambleside LA22 9DT

Instructions on finding Above Stock:

From the south: After you enter the one-way system go past White Platts recreation ground on your left, into Compston Road, which becomes a shopping street. Zefirelli's cinema is half-way up on the left, and Boots is near the top on the right. Take the right hand lane as soon as you pass Zefirelli's and turn right at the traffic lights by Boots.

From the north (via Grasmere): After entering the town past the main car park you will pass the same traffic lights at the top of Compston Road.

Within 25-30 yards after the traffic lights there is a Rohan shop sign on your right, and the Market Cross (no cross on top) with the Tourist Office behind, on the left. Turn sharp left into North Road before the Salutation Hotel.

You will see Silver Moon (the ground floor of Above Stock) directly ahead of you, across Stock Gill.

From the north (via Kirkstone Pass): After entering the outskirts of the town you will see a converted chapel on your left. Carry on down the hill until the road bends right and you see the offices of J.K Faulkner in front of you. That is the top of North Road. Turn left down it cautiously (it is a 2-way road) and, when you emerge at the bridge past the Unicorn, Above Stock is above Silver Moon on your left. If you find yourself passing the Golden Rule, you have gone too far; turn sharp left at the mini roundabout at the bottom and follow the instructions above.

Unloading & Parking:

Stop anywhere near Silver Moon that does not actually obstruct the traffic, and the entrance to Above Stock is about 10 yards up Peggy Hill. You can unload before putting the car in the main Car Park 300 yards away*, or in the area further up the hill below the converted chapel. Either way your best route is to continue up North Road (turn left downhill at the end, for the Car Park).

Getting into Above Stock:

You should take the key from the box on the right of the front door. The box has a 4 digit key code which you will be told when you book. Set the row of digits to that code, and it opens by pulling it from the top.

When you leave put the key back in the box and leave the digits at 0000.

If you have any difficulty in finding your way or getting in, please do not hesitate to phone:

- Landline: 015394 34031
- Jonathan's mobile 07884 367339
- Jennifer's mobile 07879 610695

* There is a car park permit in the property for your use during your stay.
